We look forward to your contribution and participation this year. Please contact any of the Committee members if you wish to become a sponsor or have any questions about sponsorship.

The goal of the Engineering Foundation is to foster the growth and improvement of the engineering profession by encouraging young people to pursue engineering careers and maintaining a quality environment for its membership. Your financial assistance will help us reach these goals.

This year's financial goal is **\$25,000** and total proceeds will be divided between the

Engineers' Club Building Fund
and the
Jake Jare Scholarship Fund
