

Structural Engineer
4/19/2011

Horner & Shifrin, Inc. is a multidisciplinary professional engineering services organization with offices in St. Louis and Springfield, Missouri, and O'Fallon, Illinois. With approximately 80 employee-owners, the firm offers a wide range of services to municipal, county, state, and federal agencies, as well as private industry, institutional clients and public/private utilities. Founded in 1933, Horner & Shifrin, Inc., is a 100% employee-owned firm, ensuring that every employee has a vested interest in achieving client satisfaction.

Structural Engineer – Immediate opening exists in our St. Louis office for a full-time Structural Engineer with 5 to 10 years of bridge design engineering experience with knowledge of MoDOT and IDOT codes and policies a plus. Professional Engineering (PE) licensure in Missouri and a Master's Degree are strongly preferred.

Salary commensurate with experience and skills.

Interested candidates should send a cover letter, resume and salary requirements to Attn: HR, Horner & Shifrin, Inc., 5200 Oakland Ave., St. Louis, MO 63110 or via email at employment@hornershifrin.com or fax to 314-531-6966. No phone calls please. Horner & Shifrin is an equal opportunity employer.
