

## **STRUCTURAL ENGINEER**

Hoelscher Engineering, P.C. is accepting applications for a full-time Licensed Structural Engineer with 10 or more years of experience in building design, and some additional bridge experience preferable. This position presents an outstanding opportunity with a well-established and growing civil engineering design firm, and it offers an excellent salary and benefits package commensurate with experience and abilities. The selected candidate could operate out of the Champaign, Springfield, or Fairview Heights, Illinois, offices of Hoelscher Engineering, P.C.
