OBJECTIVE

To secure a full time civil engineering design position and gain necessary experience to pursue professional engineering licensure

EDUCATION

UNIVERSITY OF MISSOURI, Bachelors of Science, Civil Engineering, 2009
Overall Cumulative GPA 3.68
Traffic and transportation engineering emphasis
Engineer-In-Training, June 2009

LINDENWOOD UNIVERSITY, Masters of Business Administration, 2011
Cumulative GPA 4.00

ENGINEERING EXPERIENCE

Schaefer Engineering, Inc

Wentzville, MO

March 2010-Present

- ☞ Product and systems research for mechanical and electrical forensic engineers
- ☞ Administrative tasks with respect to billing and accounts receivable
- ☞ Surveying experience using total station at accident scenes

GBA

O'Fallon, MO

May 2007-January 2009

- ☞ Aided transportation group with plan revisions, right of way acquisition, and other tasks for municipalities
- ☞ Prepared Strip Map and Plan & Profiles plots in AutoCAD for submittal to the Metropolitan Sewer District of St. Louis
- ☞ Conducted traffic counts, traffic impact studies, surveying

Bucher, Willis & Ratliff Corporation

Kansas City, MO

May 2006-August 2006

- ☞ Performed research, report preparation, and various tasks for Environmental Sciences and Solutions Team

INVOLVEMENT and LEADERSHIP

- ☞ Engineers Club 2010-Present
- ☞ Tau Beta Pi Engineering Honor Society 2006-Present
- ☞ Chi Epsilon Civil Engineering Honor Society 2006-Present
President, Marshall Fall 2007, Spring 2007
- ☞ Steel Bridge Team 2006-2009
Co-Captain 2007-2009
- ☞ American Society of Civil Engineers 2006-2009
Secretary Fall 2007

SKILLS

Very strong in the areas of attention to detail, communication, leadership, and organization

LEARNED PROGRAMS

AutoCAD, VISSIM, Snychro, Microstation with Geopak, Microsoft Office
