

2010 ST. LOUIS SPRING/SUMMER SOFTBALL LEAGUE

Forest Park - Aviation Field

Points of interest:

1. **No glass bottles/containers are allowed per City Ordinance #76522. Also, no coolers (of any kind), buckets, and packaged beer/liquor (opened or not) are permitted. Teams that do not heed this rule will forfeit games. This is a safety issue, plus a City of St. Louis Parks Department policy. Snacks, soda, and beer can be purchased at the concession stand (which has an authorized vending license permit).**
2. **Don't bring BBQ pits to the ballfield area (this is not the picnic grounds). Teams that do not heed this rule will forfeit games.**
3. **Teams should make sure that all trash and debris is removed from their bench and deposited into appropriate receptacles after their game(s) are completed.**
4. **If you bring pets, they must be on a leash and/or tethered. Also, you are responsible for cleaning up any deposits left by the pet. You will be asked to leave the ballfield area if you do not follow this policy.**
5. **Managers/coaches are responsible for the behavior of their players, other coaches, fans/spectators and themselves. Issues pertaining to the game should be discussed only between the manager/coach and the umpire.**
6. **Don't double-park on the Clayton Road parking lot. Cars that do will be ticketed. The same is true of no-parking areas.**
7. **Don't park on the Mounted Police driveway. Cars that do will be ticketed and towed.**

Thank you for your cooperation!
